Booking Deposit:

We ask for a deposit on any booking for which we give you a Tax Invoice and a confirmation of the Rides, Activities and Services booked. Once we receive a deposit (other than circumstances out of our control) these rides, activities and services are guaranteed.

In the case of a hire the booking fee is deducted from the total hire cost.

In the case of commission the booking fee is added to the commission paid.

Wet Weather:

100% Refund of deposit may apply on a extreme weather cancellation.

On a hire or commission we give full refund if we are contacted prior to leaving our depot when rain or flooding has caused the cancellation o the event. (Extreme wind may also apply). However we ask that common sense used. The cancellation should be at a time when there is no doubt as to the conditions. A decision could be made late the night before but more likely early on the morning of the event. If there is presence of extreme weather but your decision is to go ahead and ensuing conditions cause a later cancellation then we will deduct our costs to that point and refund any balance. Once on site we are close to a point where our costs exceed the deposit paid. Continuation at this point should be by mutual agreement between PNP Amusements and the event management. In the case of a hire, once we are fully set up, then the full fee applies unless a revised price has been negotiated prior to that set up.

For a cancellation for any other reason we can only refund the deposit if we are able to re-book the rides.
